CALL FOR ENTRIES **SOUNDTRACK** CONTEST 2022

Kalonism APS organizes the **first edition** of **Soundtrack Contest**, a competition aimed at all Italian and foreign musicians, with the aim of promoting the culture of music for cinema and giving visibility to emerging composers. To participate, Italian and foreign musicians will have to produce an accompanying track for the video proposed by the organization, which will serve as the opening theme for the screening evenings and the award ceremony of the fourth edition of Hexagon Film Festival. The event will take place in the city of Grosseto from **8 to 17 September 2022**.

Each author (who has reached the age of eighteen no later than 1 January 2022) can submit only one work. The video to create music, which was uploaded to Vimeo at www.vimeo.com/686661978, can be downloaded there and used as a reference. The soundtrack must be created in .mp3, .wav files or uploaded synchronized with the video. The **registration fee is free**. The works must be uploaded and registered on the competition page on the **FilmFreeway** platform by the deadline of the call: **1st July 2022**.

Among **all the works received**, a commission appointed by the artistic director of Hexagon Film Festival, after a careful evaluation, will select the finalist works to be submitted to a **qualified jury**, made up of professionals in the sector, who will decide the winner of the competition with an unquestionable judgment. and unappealable. The winning soundtrack will be awarded a **trophy** and a **cash prize** to be defined.

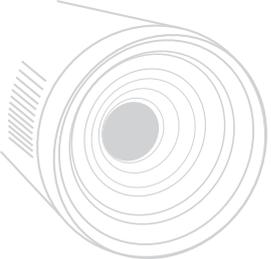

Whoever sends the work declares himself the owner of all rights relating to the same. In the event that these rights are held by third parties, the author guarantees, by registering, that he has been explicitly authorized to use the work, and therefore relieves the organizers of the competition from any liability towards any third parties, which to any title had to object. The works sent will not be returned, and will be cataloged and stored in the Festival's archives. The organization undertakes to promote them and make them available for events and cultural events, favored by the same, which will be communicated, without this entailing any compensation for the organizing association of the event.

The author, by signing this regulation (sending the work is equivalent to accepting the regulation and issuing the release), authorizes the organization to
